Subject: East Budleigh with Bicton Neighbourhood Plan consultation - Highways England response
Date: 07 September 2016 16:12:07

FAO Tim Spurway

Thank you for providing Highways England with the opportunity to comment on the submission draft plan for East Budleigh with Bicton. Highways England is responsible for operating, maintaining and improving the strategic road network, which in East Devon consists of the M5, A30/A303 and A35. Therefore, as the East Budleigh and Bicton plan area is located some distance from our network, we are satisfied that the proposed policies are unlikely to have an impact and we have no comments to make.

Kind regards
Gaynor
