Note in respect of Greendale Business Park Inset Map – in the above table Main Modification (MM) 09 refers to the inset Map for Greendale Business Park. In the submission draft of the plan there was an inset map for Greendale Business Park that showed a dotted purple line with a reference of 'Extent of Authorised Business Uses at Greendale'. In the plan below, showing a northern part of the business park, the dotted purple line is replicated and shown as a solid purple line. An amendment is made to the Greendale inset map, referencing back to MM09, to reflect the fact that the plan submitted for examination did not show the full extent of land that could be developed for permission granted under planning application 09/1195/MOUT. The amended area that the permission allows development of, and therefore which should be included in the purple line (the 'Extent of Authorised Business Uses at Greendale'), is shown by the blue, roughly rectangular area, in the centre of the plan below. The intent is, therefore, to incorporate the blue rectangular area into the purple area (i.e. to show the blue area as part of the 'Extent of Authorised Business Uses at Greendale').
