Subject: Woodbury Salterton Village Plan

Dear Sir/Madam

I am writing with regards to the village plan for the village of Woodbury Salterton where I live with my family.

The village and surrounding countryside is under constant threat from the ever expanding Greendale Business Park. I am emailing to support the the proposed **changes to the Village Plan** and specifically I would like to request that Policies VPO5 and VPO6 be included in their entirety. I believe it is very important that the final sentence is included in the plan.

Many thanks for your time
