Subject: East Devon Villages Plan Consultation

Sir/Madam,

I wish to express my support for the Inspectors recommendations for the East Devon Villages Plan. In my opinion, the references to 'Strategy 7 of the East Devon Local Plan (Development in open countryside)' and Greendale Business Park (Policy VP04) must not be removed.

Whilst the importance of the Greendale Business Park in providing employment is recognised, it is felt that (as the inspector acknowledges) the site has reached its full potential. Any further increase in size would require considerable improvement in local infrastructure further decimating an AONB. There is sufficient inclusion of business/industrial areas within the local plans where infrastructure has been installed to accommodate development (Cranbrook, Science Park etc.).

Anthony Arnold.
