Sir/Madam,

We fully support the inspector's village plan for Woodbury- Salterton and in particular protecting one line in the plan so important for our village:

'Strategy 7 of the East Devon Local Plan ( Development in the countryside)'.  
'

The inspector is right that while recognising Greendale Industrial Estate may provide some local employment it has now reached its full potential. Clearly there is a lobby to continue expansion for commercial gain, but enough is enough. We must protect our roads from yet more huge and heavy vehicles, also flooding due to concrete, more pollution, noise and of course the destruction of the countryside around our village.

Enough is enough. No more expansion of Greendale Industrial Complex please!

Andrew and Vicki Scott
