Subject: East Devon Villages Plan

We have lived [REDACTED] in Woodbury Salterton for the past eight years and in that time have suffered the increasing noise, disturbance and damage caused by traffic servicing the ever expanding Greendale Business Park. This disturbance starts at about 6 am or even earlier and is then unrelenting throughout the day. Exiting our driveway has become hazardous due to the speed and aggression of some of this traffic in a narrow country lane with limited visibility.

We therefore support the proposed changes to the Village Plan. We specifically request that Policies VP05 and VP06 be included in their entirety, and that all of text regarding Greendale Business Park be included. We also consider that the linkage to Strategy 7 of the East Devon Local Plan (Development in the Countryside) is of particular importance.

Jeff and Pat Easterbrook
