Subject: East Devon Villages Plan - further comments

Further to my previous comments on the proposed East Devon villages Plan, I am writing to support the Inspector's findings and in particular request that Strategy 7 of the East Devon Local Plan (Development in the Countryside) not be removed from the policy.

I have lived in Woodbury Salterton for the last 20 years and over the last 10 years witnessed apparent uncontrolled expansion of Greendale (including Hogsbrook) and as such would like the re-assurance that future development of this site is limited and fully sustainable and in keeping with its rural surroundings taking due note of nearby residents.

We are now suffering extensive noise, light and visual pollution from the growth of Greendale. The apparent lack of respect for the planning laws has meant that no account has been taken of local residents' concerns.

Regards

Ruth Edwards
