Subject: Village Action plan Consultation

Dear Sirs,

As a resident of Woodbury Salterton, I would like to support the proposed policy, in particular, that Strategy 7 of the East Devon Local Plan(Development in the Countryside) must NOT be removed from the policy.

Living here, using the narrow lanes behind the seemingly never ending development at Greendale, one is constantly aware of the traffic and size of vehicles generated by their activities. It also of concern that so many developments have taken place without planning, with retrospective applications then being made. Dealing with these must be very expensive, both in time and money, for the Council.
