**Subject:** East Devon Villages Plan Consultation - Hill Barton Business Plan

Dear Sir/Madam,

With reference to the Hill Barton Business Plan , I support the Inspector's current proposals and do not wish for any amendments to be made.

I live in Farrington , which is an area of open countryside. Further development must be better controlled to prevent

- 1.An increase in of noise pollution
- 2.An adverse environmental impact
- 3.Increased levels of heavy traffic in and around the area

Regards

Andy Frey
