Dear Sir,

I am writing over concerns about Greendale expansion in Woodbury Salterton

I support the Inspector's Report for the area that Greendale should remain in the Plan & that further expansion should not be permitted. They have already expanded huge amounts over the last few years – there is room within the existing boundaries for development without encroaching any more on the countryside – they should not be allowed to develop in open countryside.

I support the Inspector's Report that Strategy 7 of the East Devon Local Plan (Development in the Countryside) must not be removed from the policy.

Yours Faithfully,

Christine Gibbs
