Subject: Village plan Woodbury Salterton

I am writing in support of the Inspectors original findings. Strategy 7 of the East Devon Local plan (Development in the Countryside) must not be removed from the policy. The lanes around this village are not suitable for the increased amount of commuter traffic and large vehicles that now come into Woodbury Salterton and would not cope with any further increase. The developer is also notorious for building without permission and this site already has the look of Blackpool illuminations. Helen Walmsley, [REDACTED]
