Dear Sir or Madam

I wish to make my views known to you regarding the inclusion of Strategy 7 of the East Devon Local Plan (Development in the Countryside).

I have been a resident of the village of Woodbury Salterton for many years, and I have watched the expansion of Greendale Barton with some concern. Its proximity to this village has led to increases in noise (day and night), light pollution (already of considerable concern in the countryside), and damage to country lanes, hedges, and ditches. In my opinion the site should not be allowed to expand further into surrounding countryside and farmland.

To protect this village I support the Inspector's original findings and recommendations, and I would urge that Strategy 7 of the East Devon Local Plan (Development in the Countryside) must *not* be removed from the policy.

Yours faithfully

Janet Murr
