Subject: Woodbury Salterton Planning

Morning

I'm writing to express horror at the latest plan recently submitted by Greendale for future development. Development within Woodbury Salterton has reached its full potential, the lanes and hedges are already severely damaged with the volume of traffic and the large lorries, including articulated vehicles.

I support the Inspectors original findings and ask that Strategy 7 of the East Devon Local Plan (Development in the Countryside) must not be removed from the policy.

Regards
J Wordsworth
