Subject: Application for development in the Woodbury Salterton area

Dear Sir, It is with dismay that I have recently been informed of proposed development in Woodbury Salterton.

There is already traffic congestion in the village, and any further development would add to the problem. I reside in a country lane near the village, and have done for many years,

The lane is subsiding in certain places, hedgerows are being eroded, the surface is in an appalling condition, which in my opinion is mainly due to an increase in heavy, and wide vehicles which use these surrounding lanes. Any future development in the area is bound to have an adverse effect on the countryside, therefore Strategy 7 of the East Devon Local Plan (Development in the Countryside) must not be removed from the policy. Yours faithfully, K Hollett
