East Devon Villages Plan Schedule of Main Modifications

Dear Sir,

I am writing to support the Inspector's current proposals for the sites at Greendale and Hill Barton Business Parks and to state that I oppose any change in the current boundaries.

I am a resident of Farringdon and my home is within a few hundred metres of the current edge of Hill Barton. It is very worrying that change in proposals could result in this distance narrowing.

Further increase in the size of Hill Barton and Greendale would also impact heavily on the already overcrowded A3052 .

Yours faithfully

Mrs Megan Rae Hudson
