Dear Sirs

### **EAST DEVON VILLAGES PLAN CONSULTATION ON MAIN MODIFICATIONS GREENDALE POLICY VP04 GREENDALE BUSINESS PARK**

Oil Mill Lane Residents' Association represents over 50 properties living along Oil Mill Lane which runs from Sidmouth Road towards Woodbury Salterton.

The countryside around this area has been very significantly eroded over the last decade as the result of industrial scale developments at Enfield Farm (Anaerobic Digester), Crealy Adventure Park, Crealy Camping and Caravan Park, Hill Barton Business Park and at Greendale Business Park where there has been very extensive intrusions into the open countryside.

The importance of applying Strategy 7 in particular of the East Devon Local Plan in determining any future applications at Greendale Business Park cannot be underestimated. The wording of Policy VP04 is therefore supported and should remain in its entirety.

Yours faithfully
