Madam /Sir, I write with regard to and in Support of the Inspectors report stating that development in Woodbury Salterton has reached its full potential. Consequently, Strategy 7 of the East Devon local plan (Development in the countryside) must not be removed from the policy.

While writing I have noticed big increase in the traffic and erosion of Devon lanes. They were never designed to accommodate the size and volume of vehicles they do now. The area has been over developed and we must stop now.

Kind regards
