Subject: East Devon Villages Plan - Main Modifications Consultation

I have lived in Woodbury Salterton for more than twenty years.

I write to support the amendments to the East Devon VillagesPlan, proposed by the Inspector.

In particular, I insist that the text "Strategy 7 of the East Devon Local Plan (Development in the Countryside)" **IS NOT REMOVED.**

This must remain to ensure that, in the future, East Devon District Council can have control of further development in the countryside and in particular on Greendale Business Park. Whilst it is has created employment, few local people are employed there and the constant manipulation and abuse of Planning Regulations must now be prevented to protect the village of Woodbury Salterton and the surrounding countryside.
