Subject: Strategy 7 of the East Devon Local Plan

I agree with the Inspector that Strategy 7 of the East Devon Local Plan (Development in the Countryside) must NOT be removed from the policy. Greendale Business Park is a vital local employer BUT must not be allowed to grow any further. Woodbury Salterton and the surrounding area would suffer as a result of extra noise and light pollution and the local roads will become too busy. The business park is already visible from many parts of the village and must not be allowed to encroach any more. We are a quiet, rural village and it should remain this way.
