Dear Sir/Madam

I wish to register my support of the Inspectors findings that Strategy 7 of The East Devon Local Plan (Development in the Countryside) should not be removed. It is important it remains as open countryside needs protecting.

As a Woodbury Salterton Resident for 28 years, I feel strongly that Greendale and Hogsbrook Business Parks should be stopped from further expansion, they are much too big already and spoiling the village and residents day to day living in Woodbury Salterton. To remove Strategy 7 would provide a way of them getting around expansion limitations.

It is very important that the full Strategy 7 and it's policies remain and is not altered in any way and that Greendale Barton and Hill Barton remain included in the plan.

Yours faithfully

William Clarke
