Dear Ms Doward

East Devon Villages Plan – Main Modifications Consultation

The consultation on the main modifications to the East Devon Villages Plan is due to close on Friday 2nd February. The majority of representations that have been received so far have been uploaded onto the Council's web site and are available to view at [Villages plan examination - East Devon](#). We hope to be able to complete this task by Wednesday 7th February and will send hard copies of all the representations duly made to you via the programme officer.

The main modifications were considered by the Council's Strategic Planning Committee on 14th December 2017 and it was resolved that:

- 1. that the main modifications to the East Devon Villages Plan, as set out in the committee report, and updated sustainability appraisal, be consulted upon from 18 December 2017 to 2 February 2018 (consultation responses received would be submitted straight to the Inspector for consideration in her final report).**
- 2. that the Inspector be sent a submission from the Strategic Planning Committee during the consultation period on the main modifications to the Villages Plan asking her to consider excluding the words 'in particular Strategy 7 of the East Devon Local Plan (Development in the Countryside)' from the new policies VP04 and VP05, as the Committee did not consider this to be necessary as all relevant policies within the Local Plan would apply to the two employment sites concerned. (my underlining)**

The minutes of the meeting are available at:

<https://eastdevon.gov.uk/media/2315171/141217-strategic-planning-committee-minutes.pdf>

There is also an update on the application at Trederwen, Town Lane, Woodbury (16/1249/OUT) that was discussed at the hearing sessions in November. This application is due to be considered by the Development Management Committee on 6th February 2018 and is recommended for approval. The agenda is available (see from page 55) at
