Subject: East Devon Villages Plan-Main Modifications Consultation

As a long-time resident of Woodbury Salterton I am writing to support the amendments to the East Devon Villages Plan as proposed by the Inspector.

In particular I ask that the 'Strategy 7' of the East Devon Local Plan (Development in the Countryside) is left intact, especially that the final sentence is included.

It must NOT be removed so as to ensure that, East Devon District Council have full control of any proposed further development in the country, in particular at Greendale Business Park. This is to protect the village of Woodbury Salterton and surrounding open countryside from further expansion outside of that already agreed.
