Subject: Rockbeare Neighbourhood Plan

I can re-iterate the comments made to Rockbeare Parish Council by members of Aylesbeare Parish Council in December regarding the Neighbourhood Plan as follows:-

Members of Aylesbeare Parish Council found the Plan well written and unambiguous regarding the needs and desires for the future. They were in agreement with the concerns over the substantial scale of the FAB project and agree that maintaining the green wedge is important. Perhaps there is a lack of housing for young people in the future. Cranbrook is a key issue as far as neighbouring parishes are concerned as to where it will stop.
