BAXTERS FARM DEVELOPMENT

Dear E.D.D.C

Is it now council policy to put travellers plan in to all housing estates, if not why Musbury. Baxters Farm development done tastefully could be of great value to Musbury but to put a travellers sight within this would de-value the whole of the village and could cause no end of trouble, and I would politely ask whoever suggested this idea to reconsider as myself and my wife and many many

others are totally against
this suggestion

Yours Faithfully
