Planning Proposal Musbury.

Dear Sir or Madam Clerk.

As a response to the meeting at the Village Hall 15th August last and various Notices, I write with the following 'Questions and Observations'.

①. Devon is a Beautiful County admired World Wide So why do you want to spoil it. ? It is after all Registered as a AONB.!

②. We are situated on the A358 Musbury By Pass!! One of the busiest Highways - it is frequently driven at 70 Miles an hour, a road with a history of RTAs many FATAL by instituting your plan there will be 8 (EIGHT) Access and Exits between the Bend & the Garage.

③ Musbury is overrun with vehicles Now many Residents don't have off road parking so obliged to Park on the Street. the 'Serious Problem' only realised when Emergency Vehicle cannot Pass. or local Services Vehicles are unable to access. Heavy Goods is now very common up to Barton Farm. at school time. Cars are always blocking the Road. Your Proposals could increase traffic flow by another 50-60 Vehicles in the Village.

④. Many Villagers are asking - Where are these NEW residents going to work. Where are the jobs. other than to 'commute' (MORE CONGESTION)

This is NOT NIMBY.ism I and Most Villagers cannot understand the 'THINKING' and what's more the Purpose of KILLING 'THE GOLDEN GOOSE' by Over Development. Today. Ruined Tomorrow and Regretted for generations to come!

I look forward to your Reply!  
Please Acknowledge. Yours Sincerely
