Subject: Planning objection (Exmo_04a, Lymp_09, Lymp_10, Lymp_14)

Dear Planning Office,

I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo_04a, Lymp_09, Lymp_10, Lymp_14) in the Local Plan which are not sustainable. Instead plans to build a new community in the area north of Hill Barton should be accelerated and to find more town centre sites in Exmouth.

I understand the pressure on the Council to secure suitable sites for new developments but these MUST be supported by viable infrastructure.

We have yet to see the impact of the Goodmores development but these houses will add significant strain to existing services for Exmouth residents including for schools and GPs without even considering the impact on the local environment. Due to the location the residents shall have to rely on their cars and already the A376 is not fit for purpose as the only main route from Exmouth to Exeter and the M5.

Please register my objection.

Kind regards,

Liz Griffiths [REDACTED]
