Dear Mr Thickett

### **East Devon Community infrastructure Levy – Additional Cranbrook Related Work**

I write with respect to the East Devon Community Infrastructure Levy and additional work we have been undertaking, in parallel to local plan work, with regards to charging proposals at Cranbrook.

I assume, at the same time that the local plan changes are out for consultation, it would also be appropriate to consult on the CIL work and proposed changes at Cranbrook. Your advice on need for and form of any consultation would be appreciated.

The documents that we produced for and submitted to committee are contained in the attached file. I can advise that committee endorsed the enclosed paperwork. Papers provided are:

1. Officer report to Development Management Committee of 23 March 2015;
2. Community Infrastructure Levy Revised Charging Schedule – March 2015;
3. East Devon Community Infrastructure Levy (CIL) additional report in response to Inspector's concerns – March 2015;
4. Community Infrastructure Levy - Infrastructure and Funding Gap Assessment – march 2015;
5. Revised infrastructure Delivery Plan – March 2015;
6. East Devon Draft Regulation 123 List – March 2015;
7. Cranbrook Existing and future Infrastructure – Delivery Plan – March 2015;
8. Sports, leisure and recreation at Cranbrook report – march 2015.

I should of course be happy to provide any further information that may help you with your work and look forward to hearing from you.

Yours sincerely

Ed Freeman,  
Service Lead - Planning Strategy and Development Management

**East Devon – an outstanding place**
