\*10 **Declaration of Interests**

There were none.

\*11 **Applications referred to the Planning Inspections Committee**

The Committee considered the applications referred to it by the Development Management Committee.

- a) Sidmouth Rural: Application No: 12/1805/FUL – Removal of 2 no. craft workshops (B1 use) and construction of 2 no. live/work units with communal meeting room at Kingsdown Business Park, Salcombe Regis, Sidmouth

**RESOLVED:** that the application be APPROVED with delegated authority to the Development Manager to impose appropriate conditions.

Members resolved against the Officers' recommendation of refusal as they considered that the proposal would enhance the visual amenity of the area and would meet a need for a different type of business unit in the area – meeting this need outweighed concerns about sustainability.

b) Woodbury and Lypmstone: Application No: 11/2490/MFUL – Residential development of 15 dwellings (10 affordable and 5 open market) at land adjacent to Primley, Town Lane, Woodbury

**RESOLVED:** that the application be APPROVED subject to the applicant entering into a Section 106 agreement to secure the provision of 10 affordable dwellings and future retention as such and financial contributions towards open space provision/enhancement and education

and the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission and shall be carried out as approved.  
(Reason - To comply with section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).
2. The development hereby permitted shall be carried out in accordance with the approved plans listed at the end of this decision notice.  
(Reason - For the avoidance of doubt.)
3. Notwithstanding the submitted details, before development is commenced, a schedule of materials and finishes, and, where so required by the Local Planning Authority, samples of such materials and finishes, to be used for the external walls and roofs of the proposed development shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.  
(Reason - To ensure that the materials are sympathetic to the character and appearance of the area in accordance with Policy CO6 (Quality of New Development) of the Devon Structure Plan and Policies D1 (Design and Local Distinctiveness) of the East Devon Local Plan.)
4. Notwithstanding the submitted details, no development shall take place until a landscaping scheme has been submitted to and approved in writing by the Local Planning Authority; such a scheme to include the planting of trees, hedges, shrubs, herbaceous plants and areas to be grassed. The scheme shall also give details of any proposed walls, fences and other boundary treatment. The landscaping scheme shall be carried out in the first planting season after commencement of the development unless otherwise agreed in writing by the Local Planning Authority and shall be maintained for a period of 5 years. Any trees or other plants which die during this period shall be replaced during the next planting season with specimens of the same size and species unless otherwise agreed in writing by the Local Planning Authority.  
(Reason - In the interests of amenity and to preserve and enhance the character and appearance of the area in accordance with Policy CO6 (Quality of New Development) of the Devon Structure Plan and Policies D1 (Design and Local Distinctiveness) and D4 (Landscape Requirements) of the East Devon Local Plan.)
5. No development shall take place until details of the system for dealing with surface water drainage have been submitted to and approved in writing by the Local Planning Authority. The scheme shall be carried out in accordance with the approved details before any dwelling on the site is occupied.  
(Reason - To avoid pollution of the environment and/or flooding in accordance with the requirements of Policy CO13 (Protection of Water Resources and Flood Defence) of the Devon Structure Plan and Policy EN15 (Control of Pollution) of the East Devon Local Plan.)

6. Prior to commencement of any works on site (including demolition), tree protection details, to include the protection of hedges and shrubs, shall be submitted to and approved in writing by the Planning Authority. These shall adhere to the principles embodied in BS 5837:2012 and shall indicate exactly how and when the trees will be protected during the site works. Provision shall also be made for supervision of tree protection by a suitably qualified and experienced arboricultural consultant and details shall be included within the tree protection statement. The development shall be carried out strictly in accordance with the agreed details.

In any event, the following restrictions shall be strictly observed:

- (a) No burning shall take place in a position where flames could extend to within 5m of any part of any tree to be retained.
- (b) No trenches for services or foul/surface water drainage shall be dug within the crown spreads of any retained trees (or within half the height of the trees, whichever is the greater) unless agreed in writing by the Local Planning Authority. All such installations shall be in accordance with the advice given in Volume 4: National Joint Utilities Group (NJUG) Guidelines For The Planning, Installation And Maintenance Of Utility Apparatus In Proximity To Trees (Issue 2) 2007.

(Reason - In the interests of protecting the ecological value of the site in accordance with Policy CO10 (Protection of Nature Conservation Sites and Species) of the Devon Structure Plan and Policy EN6 (Wildlife Habitats and Features) of the East Devon Local Plan.)

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development (Amendment) (No.2) (England) Order 2008 (or any order revoking and re-enacting that Order, with or without modification), no works within Schedule, Part 1, Classes A, B, C, D or E for the enlargement, improvement or other alterations to the dwellings hereby permitted, other than works that do not materially affect the external appearance of the dwellings, shall be undertaken without a grant of express planning permission from the Local Planning Authority.

(Reason - The space available would not permit such additions without detriment to the character and appearance of the area and the design of the dwellings, the amenities of adjoining occupiers or the character and appearance of the landscape in accordance with Policies C06 (Quality of new development) and C03 (Areas of Outstanding Natural Beauty) of the Devon Structure Plan and Policies D1 (design and Local Distinctiveness) and EN1 (Development affecting Areas of Outstanding Natural Beauty) of the adopted East Devon Local Plan)

(Reason - In the interests of the character and appearance of the development and in accordance with Policies C06 (Quality of New Development) and C03 (Areas of Outstanding Natural Beauty) of the Devon Structure Plan and Policies D1 (Design and Local Distinctiveness) and EN1 (Development Affecting Areas of Outstanding Natural Beauty) of the adopted East Devon Local Plan).
