Dear Mr Thickett

East Devon Local Plan – representations received on consultation – 16 April 2015 to 12 June 2015

I am pleased to enclose the representations that were received in respect of the above consultation. We have grouped the representations together by subject matter:

- a) Housing (Questions 1 to 6);
- b) Accommodation for Gypsies, Travellers and Travelling Showpeople (Questions 7 to 10);
- c) Allocations (Questions 11 to 14); and
- d) General (Question 15).

As you will appreciate there is some overlap, in some responses, across the subject matters and in some cases, where people have a single response that very clearly relates to more than one subject area we have made duplicate copies of the representation and filed them separately against relevant subjects. Representations are being progressively uploaded on to our web site.

The Council will be providing answers to a) to c) (questions 1 to 14 inclusive) and we plan to post and email these to you on Monday 22 June 2015. I trust this will be acceptable to you. I would advise that from a preliminary assessment there are a very limited number of issues raised in responses to item d) General (Question 15) that the Council may wish to specifically respond to. I would advise that we will not be able to complete a response by the 22 June but will aim to provide comment as early as possible next week.

I would advise that we will also be sending you Community Infrastructure Levy responses and will provide a separate covering letter.

Yours sincerely

Ed Freeman
