Tabulated below is an audit trail of the differing drafts of the plan and information about stages of consultation undertaken. It should be noted that changes relate primarily to the text in the plan but they do also cross-reference and refer, in some cases, to a number of plan and map based changes.

D.	Post initial hearing session Plan Changes	16 April 2015 to Friday 12 June 2015	The publication draft of the plan was subject to hearing sessions during February and March 2014. At these hearing sessions various further proposed changes to the plan were discussed. In March 2014 the inspector advised the Council of the need for further work on the plan and this work, in conjunction with changes discussed at hearing sessions, led to a series of additional proposed amendments to the plan. These changes and supporting evidence were discussed at a 2 nd set of hearing sessions that were held in July 2015.	<p>A schedule of proposed changes to the plan (to be read in conjunction with plan draft as set out in Stage C above) can be seen at: http://eastdevon.gov.uk/media/1060696/psd2015b-table-of-changes-to-local-plan-final-version.pdf</p> <p>To assist plan users a new tracked changes draft of the plan was produced. In this new draft the changes from the above stage were retained (i.e. new text in red underlined font and deletions with a single strike through were kept in). The new version, however, also showed further changes in blue double underlined font and deletions with a double strike through. This amended version of the plan can be seen at: http://eastdevon.gov.uk/media/1060693/psd2015a-local-plan-tracked-changes-consultation-apr-2015.pdf</p>
E.	Plan changes following the 2nd set of hearing sessions	September 2015	After the second set of hearing sessions the inspector requested that the Council update evidence documents and advise of further plan changes arising from this work. The Inspector advised that he would allow the participants at the housing session an opportunity to see and comment on the Council's further submissions.	<p>A summary report of additional work undertaken on the plan, including further proposed changes, can be viewed at: http://eastdevon.gov.uk/media/1291448/psd2015r-changes-and-further-work-from-hearing-sessions.pdf</p> <p>The summary report with plan changes (and additional evidence reports) were made available for comment with details on the Programme Officer we pages at: http://eastdevon.gov.uk/planning/planning-policy/emerging-plans-and-policies/inspector-and-programme-officer/inspector-and-council-correspondence-since-2014-examination-hearings/</p>
