

St. Rita's would completely destroy and
desert- the purpose the Retreat-Centre
offers which is peace and tranquility.
Please do not destroy this
peaceful part of Thimtar.

Yours faithfully

THE PLANNING OFFICER

Dear Sir,

We wish

ASHTON CIRCLE DEER PARK GUILFORD

- 4 JAN 2017

That we strongly oppose the plan to
obtain land in front of the Holy Family
Church and in front of St. Rita's Centre
in Thimtar for the purpose of
"Football".

The destruction, the noise, the
parking and not to mention the sweating
should be absolutely devastating to the
people of Thimtar and surrounding
areas who attend the church not only
for Sunday mass but also baptisms,
weddings and funerals.
