This to register my objection to the proposed use of the playing field outside the Church of the Holy Family in Honiton. Not only will it impinge on the day to day activities of the Church, it will more importantly detract from the peace and quiet of the Retreat Centre. We live in an increasingly noisy world and St. Rita's provides an oasis of tranquility. The Council has the use of one third of St. Rita's land - be satisfied! Where would the extra people park anyway? Jane Starkey
