## Representation details

Please use a separate form for each representation

1. To which section of the Neighbourhood Plan does this representation relate?

(Please note that a separate form must be completed for each representation)

Policy Number (Include policy, paragraph or other reference no. if appropriate)	10.2.2
--	--------

2. Please use the box below to set out why you are supporting or objecting to this part of the plan. If your comment relates to a specific area of land or site if possible please identify it on a map. Continue on a separate sheet if necessary

I am objecting as there is an alternative and safer way without obstructing traffic ie Devon Highways has a drawing to the path on the opposite side of the road which in my opinion should be part of the schools detailed planning application.

**3. What changes would you suggest should be made to the plan?**

It will be helpful if you are able to put forward your suggested revised wording of any policy or text or suggested alternative policy boundary. Please be as precise as possible.

The actual wording should be taken out and the Highways plan, which Uplyme Neighbourhood plan committee has a copy of, should be inserted.

Continue on a separate sheet if necessary

Please note this will not be regarded as a binding decision but will help us in our planning.

If you select No your representation(s) will still be fully considered by the independent Planning Inspector by way of written representations.
