

Dear Sirs

Strategic Planning Policy Team

emerging local plan public consultation - Objections to allocation to LP Giffi 05/06 AND 03/04.

I am writing to register my objection to any residential or commercial development in the above as identified in the Emerging Local Plan consultation. Although the developments are in Gittisham Parish they are in fact an enlargement of Honiton as it is connected to existing buildings.

I object as follows

The detrimental impact the development will have on the setting of pretty Gittisham Village and its conservation area.

Development will have a detrimental visual impact to the AONB and on the setting of the AONB. Additional traffic using Haynes lane and the existing Haynes lane development will be detrimental to vehicular and pedestrian safety.

Further pressure on already overstretched health, social & education services.

Highway, sewers & sewage treatment infrastructure are already at capacity.

The distance from town centre, schools & health centre, train station will result in ever increasing car journeys.

It is totally inappropriate showing the settlement

boundary at this point in time.

I therefore hope that you will reject
this plan

Yours faithfully
