

EAST DEVON DISTRICT COUNCIL

Minutes of the Meeting of the Council held at Knowle, Sidmouth, on Wednesday, 22 February 2017

Attendance list at the end of document.

The meeting started at 6.30pm and ended at 8.00 pm

***53 Public speaking**

The Chairman welcomed those present and invited members of the public to address the Council.

Council had received a question on notice, as set out below, from Trevor Leahong, representing the Ottery Refugee Response Group. The Chairman invited Mr Leahong to read out the question submitted.

“My colleagues here and I represent Ottery Refugee Response Group which consists of approximately 100 East Devon residents. We are collecting items to send to refugee camps, fundraising for refugee charities and campaigning for more refugees to be re-settled in the UK, including unaccompanied children. I raised a question with you last May about the Syrian Vulnerable Persons Resettlement Programme and at that time the Council stated its commitment to re-settle between 5 and 10 Syrian refugee families per annum under this scheme. We are very pleased to note that one family has been successfully re-settled in East Devon and we understand that another family is soon to follow. We commend the Council for this and for ensuring that everything is being done to provide full support for the families. We understand that the main obstacle to EDDC achieving its commitment to re-settle 5 – 10 families per annum is that of finding suitable housing in the private sector.

We wish to ask what further measures are planned by the Council to contact landlords and attract them in order to secure private rented accommodation for refugees, including the possible use of incentives or discretionary payments as mentioned in Mr Golding’s report of 11 May last?

We understand that a postcard flyer to attract landlords is being circulated by Devon County Council to libraries and council offices. Given this limited distribution we ask that the Council send out one of these flyers with every Council Tax statement this year. These are due to go out in the next few weeks and this would be a highly cost effective way of avoiding postage costs as well as design/printing costs because the flyers already exist.”

Councillor Jill Elson, Portfolio Holder for Sustainable Homes and Communities responded by saying that this was a very complex issue. The Council was being proactive but had to work within complex regulations. The Council had experienced difficulty in attracting landlords to the scheme as they would receive less than market rate. The family which had now settled in East Devon had been given a great deal of help and support. Refugees being rehomed were vulnerable and so required a package of support. The Council had amended its pledge to 8 households in total and this was achievable. Suggested leafleting for landlords with the council tax mailings would be investigated and Mr Leahong would be notified of the result of this investigation in writing.

Honorary Alderman Trevor Cope asked about two sites in Exmouth – a site at Tescos and the Rolle College site. In response, Councillor Philip Skinner, Portfolio Holder – Economy advised that the Council was taking positive action to ensure that the sites were retained for employment and/or community use. The Rolle College site had been sold by Plymouth University to the Deaf Academy; the Council continued to drive forward the need to secure this site for community/educational purposes.

Honorary Alderman Graham Liverton, Chairman of the Manor Pavilion Theatre Management Steering Committee advised that he had read in the local paper about the Council's decision to make the Theatre's car park pay and display. He said that the Steering Committee should have been consulted on this. The Steering Committee had met the previous evening and was unanimously opposed to the decision. The Council said that the profit made from the car park charges would go to the Theatre but HA Liverton doubted that this would happen. He said that the charges would be an additional burden on the Theatre and its users. He asked how the car park would be monitored. The car park was only small and compared this with the car park on Temple Street which the Council had agreed was too small to make charging viable. He asked the Council to delay imposing the charges for further consideration.

Brian Rees was a hirer of the Theatre and said that the car park charges would have a significant effect on the viability of productions. Stage crews parked their vehicles all day – and into the night - for each day of the productions. Costs would be prohibitive on top of the cost of the Theatre hire.

Mrs E Hammond was also a hirer and said that the Council should have consulted Theatre users before making a decision to charge for car parking. She asked if the Council had thought about the situation which regularly arose when the production required the installation of a portacabin in the car park. How would this be charged and accommodated?

Mr B Lister said that if the car park was being used by members of the public, how could large lorries carrying stage and technical equipment deliver to the Theatre?

Honorary Alderman Ann Liverton was a visitor to the Theatre and often volunteered for front of house. HA Liverton and other volunteers helped to make the Theatre viable by generating profit through sale of programmes, refreshments and meeting health and safety requirements. People were less likely to volunteer if they had to pay for car parking for each performance. If the car park was already full with people with non-Theatre goers, there was nowhere close-by to park now that Manor Road was unavailable for day-time parking. Bands giving performances in the Theatre would not be able to carry their instruments from the nearest alternative car park. She added that the Council should have consulted the Theatre users before coming to a decision.

Christine Wallace was a hirer of the Theatre. SIDDFAS was a local society which met for morning events. Many of those attending were elderly and infirm and currently parked in the Theatre car park without worrying about blocking people in because they were all going to the same event. Marking spaces in the car park would reduce the number of cars that could park there at any one time. She

believed that the society would lose members if the car park was marked and charges made.

Rod Wallace of the Devonshire Association East Devon Branch said that the decision to charge for parking displayed financially weak logic. The charges would not generate significant funds to outweigh the damage they would cause to users.

In response, Councillor Iain Chubb, Portfolio Holder – Environment advised that the discussion about the Manor Pavilion Theatre Car Park had been going on for a number of years. He confirmed that the profit from the car park charges would go direct to the Theatre. He reminded those present of recent theatre closures elsewhere and the need to generate income. He advised that when the Parking Order was advertised, there would be a period of consultation, giving everyone the opportunity to air their views.

***54 Minutes**

The minutes of the meeting of the Council held on 21 December 2016 were confirmed and signed as a true record.

***55 Declarations of interest**

Councillor Andrew Moulding; Minute No. *57

Type of interest – Personal interest

Reason – Councillor is a Trustee of the Axminster Heritage Centre.

Councillor Phil Twiss; Minute No. *61

Type of interest – Personal interest

Reason – Councillor married to newly appointed Arts and Culture Forum Community representative.

***56 Chairman/Leader notices/announcements**

The Chairman extended sincere condolences to Councillor Hull whose wife had recently passed away. The Chairman had written to Councillor Hull on behalf of the Council.

***57 Questions (Procedure Rules 9.2 and 9.5)**

Five questions had been submitted in accordance with Procedure Rule 9.2 - the printed [questions and answers](#) were circulated at the meeting. Councillors submitting questions are entitled to put a related supplementary question (Procedure Rule 9.5). The response to the supplementary question asked is set out below.

- a) Question 1 – In response to the supplementary question, the Portfolio Holder – Economy advised that it was no longer possible to reach an agreement with the former leaseholder of the Exmouth Fun Park; the Council needed the freehold to be able to progress with negotiations for Phase 2 of the seafront regeneration.
- b) Question 2 – In response to the supplementary question, the Portfolio Holder – Economy advised that no decision had yet been made about the future of the Harbour View Café building. That would be part of Phase 3 of the seafront regeneration which would be the subject of extensive consultation. The Council had required vacant possession of the building but had worked closely with the

tenants who fully understood the Council's position and were looking for an alternative local site for their business.

- c) Question 3 – In response to the supplementary question, the Leader spoke in defence of the work that officers undertook on behalf of the Council and the clear information they provided.
- d) Question 4 – In response to the supplementary question, the Portfolio Holder – Environment said that the Council anticipated that the Seaton beach huts would be fully occupied this summer.
- e) Question 5 – In response to the supplementary question, the Portfolio Holder – Environment acknowledged Councillor Burrow's appreciation of the work of officers in their proactive work to address the problem of fly-tipping.

***58 Revenue Estimates, Capital Programme and Council Tax 2017/18**

Members considered the report of the Section 151 Finance Officer and the recommendations of the Cabinet from its meeting on 8 February 2017 relating to the Revenue and Capital Estimates – the purpose of the report was to enable the Council to calculate and set the Council Tax for 2017/18.

The precepts from Devon County Council, Police and Crime Commissioner for Devon and Cornwall, Devon & Somerset Fire & Rescue Authority, and town and parish councils (preceptors) had been added to EDDC's Council Tax requirement. This Council, as billing authority, would formally set the Council Tax for the area to include all the amounts to be collected.

The Chairman invited the Leader of the Council to present the Revenue Estimates and Capital Programme together with proposals for the Council Tax for 2017/18.

In presenting the budget, the Leader said that £5 increase for band D property (taking band D rate to £131.78 or £2.53 per week) was modest and that East Devon District Council was still the lowest in Devon and one of the lowest in the country. He said that the Council continued to provide excellent value for money - for services which ranged from conserving and enhancing the stunning local environment to coastal protection; from the regeneration of the urban economy to support for rural areas. He said that no one was under any illusion that the financial climate was rosy but that the Council would continue to vigorously address the problems faced and be constantly vigilant.

The Leader recognised that although there was still much to do, he saw exciting opportunities ahead. He referred specifically to the office relocation programme and the efficiencies that this would achieve, and the combined activities with Devon County, Exeter, Teignbridge and Mid Devon. Delivery of the new recycling and waste contract was a clear example of the Council's continual commitment to improve efficiencies, wherever and whenever possible, through better working practice and technical improvements. Efforts were ongoing to make sure that the Council's assets worked to best effect for East Devon tax payers - seizing opportunities such as granting Enterprise Zone status to increase economic opportunity and benefit, and work being undertaken for EDDC to potentially establish its own local housing company to increase the housing supply for East Devon people - helping to satisfy the seemingly insatiable demand for new homes.

In conclusion, on behalf of Members, the Leader thanked all Officers for the excellent work across the board which had enabled the Council to deliver a balanced budget. He also recognised the contribution of Members through the full, open and transparent budget preparation process.

He then proposed that the Council Tax requirement for 2017/18 be set at £7,574,319 with a resulting Council Tax Band D amount of £131.78 (an increase of £5 a year (3.94%) which was within the threshold stipulated by government before triggering a council tax referendum) and that the budget be agreed as presented in the Council papers. The Leader moved the printed recommendations set out in Appendix A to the report.

The proposal was seconded by Councillor Andrew Moulding who supported the budget as presented.

During debate and consideration of the printed budget recommendations, the following issues were raised:

- Concerns had been raised by the Leader of Devon County Council that the Government settlement failed to address the crisis in social care. Similarly Lord Porter, LGA, was critical of the Government's settlement which would result in a funding gap that would push councils perilously close to the financial edge over the next few years and force cuts to services. It was hoped that this Council would add its voice and protest against the inadequate settlements.
- There were real issues in respect of authorities funding social care by cutting other budgets.
- Local funding for health, social care and schools was much lower than funding allocated to London authorities. Although these were not issues that this Council could determine, the people that this Council represented were suffering as a result of decisions made elsewhere.
- The focus should be on this Council's budget and what this Council has achieved. Officers and Councillors involved should be congratulated for keeping costs down and improving services.
- Although other authorities nationally were having problems with their waste services, this Council was providing an improved service at a lower cost.
- The Council had recently appointed a new Strategic Lead for economic development. This area had low levels of productivity. The new appointee would explore initiatives to retain talented people within the district and attract talented people to the area.
- In the past, the Council had resisted increases in Council Tax. However the more recent trend was to expand service provision. Concern was raised that the increases and expansion would result in harder cuts in the future.

The Leader summed up by saying that there was an on-going problem of people failing to understand which functions were the responsibility of the district council and those which were County functions. The Council performed well and this was what Councillors needed to concentrate on. He acknowledged that Central Government had not looked after the interests of local government - he often used opportunities at strategic meetings with government representatives to put forward that view. He agreed that productivity levels within the district were low and that there was a need to look to younger generations to help address this; local government could help by providing opportunities for them.

The proposal as printed in Appendix A to the report was put to the vote and carried.

Members were reminded that in line with legislation that came into force on 25 February 2014, The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014, a recorded vote would now be taken on the budget decision.

RESOLVED:

1. that it be noted that on 11 January 2017 the Cabinet (minute reference 127 refers) calculated the Council Tax Base 2017/18
 - a) for the whole Council area as 57,477 [Item T in the formula in Section 31B of the Local Government Finance Act 1992, as amended (the "Act")]; and
 - b) for dwellings in those parts of its area to which a Parish precept relates as detailed in Schedule 1 attached.
2. that as a preliminary step, calculate that the Council Tax requirement for the Council's own purposes for 2017/18 (excluding Parish precepts) is £7,574,319
3. that the following amounts be calculated for the year 2017/18 in accordance with Sections 30 to 36 of the Act
 - (a) £94,455,112 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act taking into account all precepts issued to it by Parish Councils.
 - (b) £83,586,333 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.
 - (c) £10,868,779 being the amount by which the aggregate at 3(a) above exceeds the aggregate at 3(b) above, calculated by the Council in accordance with Section 31A(4) of the Act as its Council Tax requirement for the year. (Item R in the formula in Section 31B of the Act).
 - (d) £189.10 being the amount at 3(c) above (Item R), all divided by Item T (1(a) above), calculated by the Council in accordance with Section 31B of the Act, as the basic amount of its Council Tax for the year (including Parish precepts).
 - (e) £3,294,460 being the aggregate amount of all special items (Parish precepts) referred to in Section 34(1) of the Act (as per the attached Schedule 1).
 - (f) £131.78 being the amount at 3(d) above less the result given by dividing the amount at 3(e) above by Item T (1(a) above), calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept relates.

- (g) The amounts stated in column 5 of the schedule 1 attached given by adding to the amount at 3(f) above the amounts of the special item or items relating to dwellings in those parts of the Council's area specified in column 1 of Schedule 1 divided in each case by the amount at 1(a) above, calculated by the Council in accordance with Section 34(3) of the Act, as the basic amounts of its Council tax for the year for dwellings in those parts of its area set out in column 1 of Schedule 1 to which one or more special items relate.
- (h) The amounts set out in Schedule 2 attached given by multiplying the amounts at 3(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band divided by the number which in that proportion is applicable to dwellings listed in valuation band D, calculated by the Council in accordance with Section 36(1) of the Act, as the amounts to be taken into account for the year in respect of categories of dwellings listed in different valuation bands.
4. that it be noted that for the year 2016/2017 Devon County Council, Police and Crime Commissioner for Devon and Cornwall and Devon and Somerset Fire and Rescue Authority have stated the following amounts in precepts issued to the District Council, in accordance with Section 40 of the Local Government Finance Act 1992, for each of the categories of dwellings shown below:

Precepting Authority

Valuation Bands	Devon County Council	Police and Crime Commissioner for Devon & Cornwall	Devon & Somerset Fire & Rescue
A	£845.28	£117.52	£54.38
B	£986.16	£137.11	£63.44
C	£1,127.04	£156.69	£72.51
<u>D</u>	<u>£1,267.92</u>	<u>£176.28</u>	<u>£81.57</u>
E	£1,549.68	£215.45	£99.70
F	£1,831.44	£254.63	£117.82
G	£2,113.20	£293.80	£135.95
H	£2,535.84	£352.56	£163.14

5. that, having calculated the aggregate in each case of the amounts at 3 (h) and 4 above, the Council, in accordance with Sections 30 and 36 of the Local Government Finance Act 1992, hereby sets the amounts set out in Schedule 3 attached as the amounts of council tax for the year 2017/2018 for each of the categories of dwellings shown in Schedule 3.
6. that the Council has determined that its relevant basic amount of Council Tax for 2017/18 is **not** excessive in accordance with principles approved under Section 52ZB Local Government Finance Act 1992. As the billing authority, the Council has **not** been notified by a major precepting authority that its relevant basic amount of Council Tax for 2017/18 is excessive and

therefore the billing authority is not required to hold a referendum in accordance with Section 52ZK Local Government Finance Act 1992.

Recorded vote on the budget:

that the under-mentioned minutes be received.

Cabinet (minutes 139 and 143) had noted or accepted the following Overview/Scrutiny Committees' recommendations with or without amendment.

Overview and Scrutiny Committee – Joint meeting

Minutes 1-4

Housing Review Board

Minutes 37-58

Arising from consideration of the above minutes:-

➤ **Overview and Scrutiny Committees – Joint Meeting**

Cllr Roger Giles, Chairman of the Scrutiny Committee said that he had listened to the public speakers in respect of the proposed car parking charges at the Manor Pavilion Theatre and advised that he would ask his Committee to review this proposal.

➤ **Housing Review Board**

Cllr Pauline Stott, Chairman of the Housing Review Board drew Councillors' attention to Minute *45 which looked at the merits of a joint venture company and a local housing company for the delivery of affordable housing funded by the Council. If progressed, there was a real opportunity for the Council to build 200 affordable homes a year. Councillor Stott said that all Councillors were invited to attend meetings of the Housing Review Board as observers and see for themselves the exciting proposals being considered.

*60 **Motion: Safeguarding procedures**

The following motion was proposed by Councillor Andrew Moulding, seconded by Councillor Phil Twiss and supported by Councillors Pauline Stott, Maria Hale, Paul Carter, Colin Brown, Jenny Brown, David Key, Steve Hall, Darryl Nicholas, Cherry Nicholas, Brian Bailey, Graham Godbeer, Paul Diviani, Bruce De Saram, Mike Allen, Alan Dent and Bill Nash.

“That this Council introduces a protocol for Councillors for safeguarding vulnerable adults and children in the community.

Councillors are increasingly being encouraged to engage with the community and this engagement can often involve meetings with individuals on a one-to-one basis – including vulnerable adults and children. This Council recognises the importance of putting the correct safeguarding measures in place and, in so doing, setting an example within the community. In the light of this intention and the legal duties falling on this Council in respect of the safeguarding of vulnerable adults and children, the Chief Executive be requested to prepare a report on the appropriateness of requiring all Councillors to be the subject of a DBS (Disclosure and Barring Service – formerly CRB) check and attending specific safeguarding training.”

The proposer of the motion, Councillor Andrew Moulding, spoke of recent personal examples of engaging and supporting young people - these had been possible because he had been DBS checked. He said that the checks were useful but it was also important to understand how to deal with vulnerable adults and young people, knowing how to communicate. Councillors were exposed when engaging with vulnerable adults and young people and needed to be checked and properly qualified.

The seconder of the motion, Councillor Phil Twiss agreed that Councillors were often involved with sensitive issues and needed to be properly trained and to maintain high safeguarding standards - particularly when dealing with vulnerable adults and young people who needed to be able to turn to people they could trust. The existing EDDC policy was predominately for employees but needed to specifically include Councillors and their role. This would be to the benefit of Councillors themselves and also give out a strong message of professionalism to the public. There was no reason why Councillors would not wish to go through this process if they had nothing to hide.

The following issues were raised by Councillors during consideration of the motion:

- Caution re the value of DBS checks – these can only prove that someone has not been caught and charged.
- Positive action in this respect would send a good message to organisations and the world at large.
- A safeguarding protocol plus training and checks would be a positive move to help protect vulnerable people.
- The DBS checks represented a nationally agreed standard.
- It was right that this Council set an example.

The motion was put to the vote and carried.

RESOLVED

1. that a protocol for Councillors for safeguarding vulnerable adults and children in the community be introduced - this Council recognises the importance of putting the correct safeguarding measures in place and, in so doing, setting an example within the community;
2. that, in the light of this intention and the legal duties falling on this Council in respect of the safeguarding of vulnerable adults and children, the Chief Executive be requested to prepare a report on the appropriateness of requiring all Councillors to be the subject of a DBS (Disclosure and Barring Service – formerly CRB) check and attending specific safeguarding training.
