Subject: Yarcombe & Marsh Neighbourhood Plan - Submission consultation - Highways England response
Date: 24 January 2017 10:20:57

FAO Tim Spurway

Thank you for providing Highways England with the opportunity to comment on the submission version of the Yarcombe and Marsh Neighbourhood Plan. We are satisfied that the proposed policies are unlikely to impact on the strategic road network (specifically the A303 which bisects the plan area) and therefore have no specific comments to make.

This response does not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the appropriate policy at the time.

Regards

Sally
