Subject: RE: Budleigh Salterton Neighbourhood Plan submission consultation - UNCLASSIFIED:

Dear planning policy team

Thank you for consulting Highways England on the submission version of the Budleigh Salterton Neighbourhood Plan.

Highways England is responsible for operating, maintaining and improving the strategic road network (SRN) which in East Devon comprises the A30, M5 and A35. As the plan area is some distance from the SRN, we are satisfied that the proposed plan's policies will not impact on our network and we have no comments to make.

This response does not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the appropriate policy at the time.

Kind regards

Gaynor
