

## **Budleigh Salterton Neighbourhood Development Plan**

### **INFORMATION FOR VOTERS**

Referendum: 6 September 2017

#### **About this booklet**

On Wednesday 6 September 2017, there will be a referendum on a neighbourhood development plan for your area. This booklet explains more about the referendum that is going to take place and how you can be involved in it. In this booklet you can find out about:

- The referendum and how you can take part
- The neighbourhood area
- The neighbourhood plan
- The development plan [of which neighbourhood plans are part]

#### **Referendum on the Neighbourhood Plan**

A referendum asks you to vote 'yes' or 'no' to a question. For this referendum you will receive a ballot paper with this question:

***"Do you want East Devon District Council to use the neighbourhood plan for Budleigh Salterton to help it decide planning applications in the neighbourhood area?"***

#### **How do I vote in the referendum?**

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only **one** box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then East Devon District Council will use the Neighbourhood Development Plan to help it decide planning applications in Budleigh Salterton. The Neighbourhood Development Plan once adopted will then become part of the Development Plan.

In East Devon the development plan currently consists of the adopted East Devon Local Plan, 2013- 2031; the adopted Devon Waste Plan, December 2014, and the Minerals Local Plan, June 2004.

If more people vote 'no' than 'yes', then planning applications will be decided without using the Neighbourhood Development Plan as part of the Development Plan for the local area.

#### **What is a Development Plan?**

In England, planning applications are determined by local planning authorities in accordance with the Development Plan. A Development Plan is a set of documents that set out the policies for the development and use of land across the entire local authority area. Within East Devon, the local planning authority is East Devon District Council.

## **What is Neighbourhood Planning?**

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. A community can choose to prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

## **What is a neighbourhood area?**

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum (a group of at least 21 people in areas without town or parish councils)

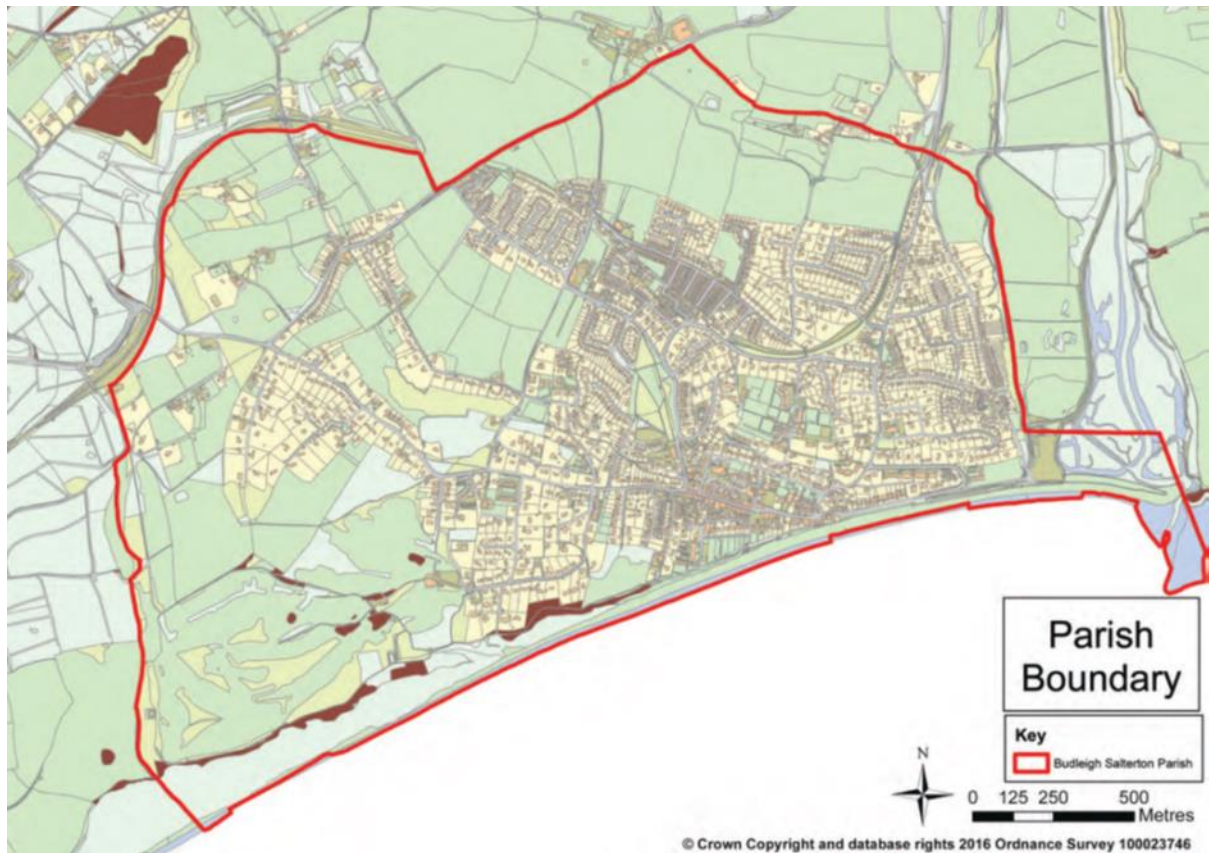

In Budleigh Salterton the boundary of the neighbourhood area was put forward by Budleigh Salterton Town Council and determined by East Devon District Council and is identical to the parish area of Budleigh Salterton.

## **Who can prepare a Neighbourhood Plan?**

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In this case, the Budleigh Salterton Neighbourhood Development Plan was prepared by Budleigh Salterton Town Council in consultation with the local community.
