### Ottery St Mary: circular walk

Park in Land of Canaan pay & display carpark. Walk over mill leat and walk south following stream to the tumbling weir. Continue on footpath keeping River Otter on your right. Turn right on main road, cross over road bridge and continue on pavement keeping the industrial estate on your right. After entrance to industrial estate turn right on to footpath. Turn left onto Hansford Way and then right onto Thorne Farm Way. Follow route at next right and back over new footbridge, over the River Otter and back towards your start point.

Tim Dafforn, Countryside Team Leader, EDDC suggests a circular walk in Ottery St Mary.
