

# FENITON NEEDS YOU

## FENITON NEIGHBOURHOOD PLAN

### Your chance to make Feniton a better place to live

Following the other successful events previously, you have a further opportunity to have a say in how Feniton will look over the next 15 years. The community is being asked for their views on what sort of neighbourhood we want. Views will be sought from all within Feniton Parish on what matters and at the end of the process there will be a **referendum** to see what the community wishes to see in the period up until 2030.

The resulting Neighbourhood Plan will be a legal document that will form part of the planning process and is therefore an extremely important document.

We have had a good response from the seniors in the parish but really want to hear from people aged between 18 to 60. Your views are especially important at this stage to move the process forward. There is another open session but if you cannot attend please complete the tear off slip as WE NEED YOUR VIEWS.

**The next event is at Feniton C of E Primary School. This will be between 9 am and 1pm on Saturday 21st March 2015.**
