

CLOSURE OF FENITON POST OFFICE

It will be the end of an era on 22nd February when Feniton Post Office closes its doors for the last time.

The service which is much appreciated by many people in the village will no longer be available. However moves are afoot to try to get a limited post office service within the village although at the time of going to press, this has been finalised. We hope to give more details in the March.

NEIGHBOURHOOD PLAN

There has been little progress over the Christmas period, but the Steering Committee are now going full steam ahead to produce the Neighbourhood Plan. At present they are finalising the Basic Conditions Statement which will be the document that will be sent out for wider consultation.

In the meantime, we still want to hear your views. We still need to know that we have got it right and that Feniton can go forward in the next fifteen years confident that the Plan reflects the aims of the village.

We are also compiling a list of assets within the Parish which will be noted in order to preserve them for the community. These can have an historic connection or may be sports facilities and just about anything that we would like to keep. A list of open spaces and green areas is also being compiled, again with a view to preserving these areas for future generations. If you have any suggestions that we can add to these lists, please contact either Martyn Smith - tel: 850322 or email martyn@feniton.org.uk or Val Jones - tel: 850212 or email valjones.fdsprinting@btinternet.com

Issued on behalf of the Neighbourhood Plan Steering Committee
