Dear Steve,

Comments from the steering group as below:

- 1) PM2 - where it shows "the villages of old and new Feniton" request to change to just 'new and old Feniton', as it is one village and it is important to keep that cohesion.
- 2) PM6 Where it shows the deletion of the word "unique", we would prefer to have inserted in its place the word "considerable", which recognises more accurately the issue.

If you could please forward to the examiner for their consideration.

Regards,

Phil
