Signs of  
spring  
trail

## Get involved

Whilst visiting, pick up a copy of our new spring/summer events guide, packed with exciting events for all ages, being held across East Devon.

The Countryside team manage ten nature reserves across East Devon, runs a thriving education programme and delivers great public events. For more information about what we do, and our events, visit our web page or follow us on social media.

## Hunt and identify the signs of spring in Cranbrook!

### WHAT TO DO

- Find seven clue boards across Cranbrook Country Park
- Read to reveal an interesting fact about springtime wildlife
- Can you identify the plant or animal shown in the photo? Write your answer inside this leaflet next to the map
- When you have completed the trail, let us know how you do by sharing your finds with us on social media #springincranbrook

Let us know what you find!
