Please confirm that all the parishes listed above agree to the application

Please confirm that the organisation/s or body/ies making the area application is a relevant body for the purposes of section 61G of the 1990 Act.

Please advise what, if any, discussion has taken place with neighbouring Parishes with a view to partnership working? Where applications include sites in adjoining Parishes their agreement should be sought.

NOT APPLICABLE

Please append a map identifying the area to which the area application relates.

Please explain why this area is considered appropriate to be designated as a neighbourhood area

The village of Aylesbeare is in the centre of the Parish, and the surveys carried out in 2012 and 2013 clearly indicate future development to be centrally located to give a heart to the village. The Parish Council, embracing the spirit of the localism Act and Neighbourhood planning would like to establish dialogue with landowners and EDDC, so as to have an influence over the future design and character of proposed development looking forwards.
