Subject: Baxters Farm Development Brief.

Dear Sirs

Baxters Farm Development Brief.

i am writing regarding the development plans for Baxters Farm and Apple Orchard.

Musbury is a close knit community and I am sure you appreciate any development needs must be sympathetic to the other houses in the village and not to be lit up with light pollution.

Obviously now the farm is to be developed it would be charming to make the small orchard a community area for the village. There are so few small orchards left these days and though about - 7 apple trees it is a peaceful sight and habitat for many - Birds - Bats, Barn Owl and Swallows, just a few of the many birds that live there.

I will be calling at your office for an appointment with one of your officers to list my concerns in more detail. I also thank you for the details you have sent me [REDACTED].

Yours sincerely [REDACTED]
