Good afternoon East Devon planning,

re Draft Landscape Character Assessment

I have read through section 1 (I will look at the rest when I get some more time)
comments so far:

1.1 paragraphs 2 & 3 begin 'It' without any clarity as to the entity to which the pronoun refers.
1.4 final bullet refers to a menu and section 2.3. I looked at section 2.3 and it did not make the sentence any clearer - the only other time the word menu is used in the document is in section 2.4 (should the x-ref be corrected?)

kind regards
