---	-------------------------

2. Please use the box below to set out why you are supporting or objecting to this part of the plan. If your comment relates to a specific area of land or site if possible please identify it on a map. Continue on a separate sheet if necessary

It is pleasing to see the inclusion of this Policy 22 – A Safe Town within the Plan. We support the statement that *‘All new developments should conform to the ‘Secured by Design’ principles and the Neighbourhood Plan will support development proposals aimed at improving community safety’*. This is supported in the justification that *‘the objective of the plan is to maintain the Sid Valley as a safe community where crime is low, and the emphasis is on prevention. It is recognised that the design of the built environment can play an important role in “designing out crime”*’.

<b>Name/Organisation</b> Please complete for each sheet	

**3. What changes would you suggest should be made to the plan?**

It will be helpful if you are able to put forward your suggested revised wording of any policy or text or suggested alternative policy boundary. Please be as precise as possible.

As above, we welcome Policy 22 – A Safe Town which adequately covers the inclusion of the designing out crime and crime prevention through environmental design principles that are implemented by Police Designing Out Crime Officers. Just to reinforce the policy, the principles apply to all forms of development not just housing. They may also be just as relevant for new car parks, footpaths, play areas, commercial developments etc. By implementing such principles it will not only hopefully reduce the opportunities for crime and ASB, but also help reduce the fear of crime.

Continue on a separate sheet if necessary

**4. If your representation is seeking a change, do you consider it necessary to speak at the examination?**

Please note this will not be regarded as a binding decision but will help us in our planning.

If you select No your representation(s) will still be fully considered by the independent examiner by way of written representations.

**5. If you wish to speak at the examination, please outline why you consider this to be necessary:**
