Subject: RE: Sid Valley Neighbourhood Plan - Regulation 16 Consultation

Dear Phil,

Thank you for providing Highways England with the opportunity to comment on the submission version of the Sid Valley Neighbourhood Plan.

Highways England is responsible for operating, maintaining and improving the strategic road network (SRN) which in East Devon comprises the A30, M5 and A35. As the plan area is some distance from the SRN, we are satisfied that the plan's proposed policies will not impact on our network and we therefore have no comments to make.

This response does not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Regards,

Sally
