Subject: Neighbourhood Plan

To: "Tim Salt" [REDACTED], "Town Clerk" [REDACTED]

Dear Tim and Chris,

Just a small point: Fig 102 in the Place Analysis is wrongly coloured and/or annotated.

This has the effect of declaring the land my family own and that to the north, owned by the Hayman family, as public open space. It isn't of course.

The map to the south showing the College etc. Is correctly shaded.

We have enough trouble with trespassers!

Best regards,

Richard
