**Subject:** LDF Planned Provision for housing in the parish of Clyst St George and Ebford.

Dear Mike

At the last meeting of Clyst St. George P.C. District Councillor Mike Howe informed Members that for the Parish, provision within the L.D.F. was 5 units for Clyst St. George and 5 units for Ebford for the Plan period.

Members considered this to be inadequate to sustain and improve the vitality of the Parish and considered that over the plan period the figure should be in the region of 25 - 30 per village. As you will be aware over the last 20 or so years only two properties have been allowed within Clyst St. George and approx 20 within Ebford. and Members felt that Ebford had improved for the at least one per year build, the School, the Village Hall, and the Church will all benefit from this addition (they now often rely on outside support.)

Please can you re - consider the L.D.F. proposals for this Parish along the lines indicated if you require any further information, please contact our Parish Council Chairman Bob Peachey - his telephone number is 01392 874169

Kind Regards

Liz Gold-Lewis  
Parish Clerk
